MESSAGE FROM THE PRESIDENT

The months are flying by and we have completed several projects. The long overdue ladies room is now finished and looks really nice, and we have received great reviews from the ladies.

Summer bocce will be starting with added improvements. Outdoor bocce courts have an improved look with the removal of stones at the end of the courts and replaced by a cement walking area. The old wood in the center of the two courts was removed and replaced with cement. Also, fans and a ridge vent were installed to help with the summer heat. I would like to thank Brain and his crew for a great job on the bocce courts.

Lights and cameras were installed on the West side parking lot for the security of our members. The air conditioners in the dining room have been replaced with glass block for more light.

We have recently invested approximately \$8000 and installed a POS system (point of sale) which allows bartenders to charge uniform bar sale pricing throughout the club.

I would like to welcome back all snowbirds who will be returning this summer.

Everyone have a great and safe summer!

Tony
